

West Wilts U3A – Draft Policy 5

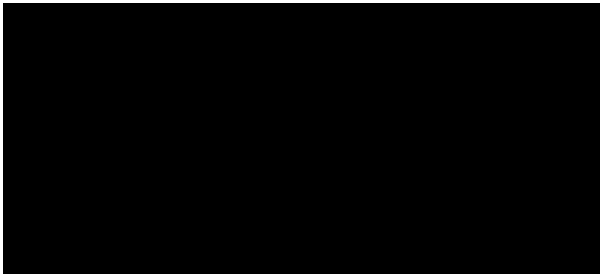

Use of U3A resources to publicise external events.

As a general principle West Wilts U3A resources can only be used to publicise events that have been organised or hosted by the U3A.

Our internal publicity mechanisms, the monthly news letter, the quarterly magazine, the Web site and the bulk e-mailing system should only publicise events organised by our own or other U3A's or the Third Age Trust.

Exceptions to this can be paid advertising in the quarterly news letter, provided that the content of these advertisements does not conflict with the aims, objectives or principles of the U3A Movement.

Any other exceptions must be agreed by the full committee of the West Wilts U3A.
